**About Sirius Telecommunications Ltd**

Sirius is a long established software and services company that underwent a change in focus in 2006/07. Its focus is on providing software and services to large enterprises. The company operates via a federated or hub-and-spoke model which involves Sirius acting as a holding company (hub) for a number of software and service companies. The company is pursuing an acquisition-led growth strategy which envisages strong growth and profitability over the next few years. [www.sirius.com.au](http://www.sirius.com.au)
