

## ASX Announcement InfoMaster Executive Appointment

4 July 2008

---

The Board of Sirius Corporation Ltd (ASX:SIU) is pleased to advise of the appointment of Mr Geoff Reeves to the position of General Manager, InfoMaster (IFMA Pty Ltd), effective immediately.

Geoff has been employed with InfoMaster since 2005 in the capacity of Business Development Manager, NSW and then National Client Services Director and recently as Acting General Manager for InfoMaster. This position became vacant when Ms. Marie Eedy left the organisation in January 2008, 4 months after the acquisition of InfoMaster by Sirius. Geoff has played an integral part in the transition and integration of InfoMaster with Sirius and will ensure that all customers continue to receive high levels of customer service and increased investment into research and development of the InfoMaster products.

Commenting on the promotion, Group Managing Director, Mr Frank Licciardello said “ that the Board has been extremely impressed with Geoff’s leadership and people skills over the past 5 months and the Board is confident that Geoff has the skills and drive to deliver on the Board’s strong desire to continue to build the InfoMaster business and create shareholder value”.

After three years in senior management at InfoMaster, Geoff recognises the potential of the solutions on offer from InfoMaster to address the complex business processes around Asset Management and e-Planning; with over 60 Councils in Australia and New Zealand adopting the award winning solutions.

With more than 12 years experience in Local Government and eight years experience in software solution sales, particularly focused on Local Government business process management, Geoff has been a vocal contributor in the market development and implementation of e-planning technologies across Australia and New Zealand.

Geoff is a CPA and has a passion for promoting the Local Government Industry as a whole.
