Sirius subsidiary InfoMaster secures Contract with Richmond Valley Council

23 April 2008

Sirius Corporation Ltd (ASX:SIU) is pleased to announce that Infomaster, a wholly owned subsidiary of Sirius, has secured a contract to supply and implement an integrated Asset Management Software Solution to Richmond Valley Council in NSW. Scoping will commence immediately and implementation is scheduled to commence prior to 30 June 2008.

Group Managing Director Mr Frank Licciardello said "Richmond Valley is a strategic win for InfoMaster as it further establishes our asset management presence in the mid north coast of NSW. It further confirms that our AssetMaster solution continues to be accepted in the market as a world-class specialist solution for the management of Local Government Infrastructure Assets in Australia."

Richmond Valley joins a growing list of customers such as City Of Melbourne, Timbercorp, Central Goldfields, Penrith City council, Sutherland Shire council, Villa World (MFS company) and Gold Coast City Council, to name a few, that are currently receiving benefits from the use of this sophisticated technology.
