

InfoMaster awarded Fairfield City Council eServices contract

30 June 2011

The Board of Sirius Corporation Ltd (ASX:SIU) is pleased to announce that InfoMaster Pty Ltd, a wholly owned subsidiary of Sirius Corporation Limited, has been awarded the contract for the Implementation of MasterView eServices for Fairfield City Council.

The objective of the project is to provide Fairfield City Council with InfoMaster's eServices software which will improve accessibility to documents and improve integration to Councils corporate systems.

This project will ensure Government Information Public Access – 2009 (GIPA) compliance and the provision of new and improved services to the community.

InfoMaster will commence the work in June 2011.

InfoMaster now has in excess of 80 councils across Australia and New Zealand utilising their award winning eServices software.

About Sirius Corporation Ltd

Sirius is a long established software and services company that underwent a change in focus in 2006/07. Its focus is on providing software and services to large enterprises. The company operates via a federated or hub-and-spoke model which involves Sirius acting as a holding company (hub) for a number of software and service companies. The company is pursuing an acquisition-led growth strategy, which envisages strong growth and profitability over the next few years.
