

ASX Announcement

Phoneware signs contract with Telstra Business Systems for major bank

Tuesday, 13 December 2005

Melbourne, Australia – Phoneware Communication Systems Pty Ltd, an independently managed subsidiary of Sirius Telecommunications Limited (ASX:SIU), confirmed the signing last Friday of a contract with Telstra Business Systems for the provision of telephone call accounting and directory systems with one of Australia's major four banks.

The contract is for the installation, maintenance and support of Phoneware VXT and ACU software accompanied by a facilities management agreement for up to three years.

The contract is classified as material in value under the ASX Listing Rules.
